

Washburn Center maintains a commitment to serve all members of the community without regard to race, religion, ethnicity, sex, gender, or disability, at a fee affordable to all.

Fees for services vary depending on insurance and Washburn Center program. You may be responsible for some or all of these fees depending on your specific insurance policy and the Washburn Center program. Sliding fee applications are being accepted and processed for families experiencing financial difficulties, whether related to COVID-19 or not. Payment plans are available for all families regardless of income.

Washburn Center for Children is contracted with the following payers:

- Aetna
- America's PPO
- Blue Cross Blue Shield/ Blue Plus
- Beacon Health
- Cigna
- Great West
- Health EZ
- Health Partners

#### Service Specific Information

- Our Intensive In-Home and Crisis Stabilization Programs are contracted with the following payers (MHCP/PMAP and Commercial Plans):
  - Medica
  - Health Partners
  - Preferred One/Aetna
  - UCare
  - Blue Cross Blue Shield
- Case management services are not billed to the client directly. State and County funding ensure clients are not responsible for fees. This does not apply to diagnostic assessments provided by a case manager.
- Outreach services are a free service provided by a Hennepin County contract and is only available to clients living in Hennepin County.

**If you have more specific questions about our fees for services, please reach out to our Billing Department at 612-677-2899.**

*Washburn Center maintains a commitment to serve all members of the community without regard to race, religion, ethnicity, sex, gender, or disability, at a fee affordable to all.*

This list of fees contains our billed rates by service type. We have contracts with insurance companies that may reduce these rates. You may be responsible for some or all of these fees depending on your specific insurance policy. Sliding fee applications are being accepted and processed for families experiencing financial difficulties, whether related to COVID-19 or not. Payment plans are available for all families regardless of income.

Fees are subject to change.

Fees are for in-person and telehealth services, when applicable.

\* Case management services are not billed to the client directly. State and County funding ensure clients are not responsible for fees. This does not apply to diagnostic assessments provided by a case manager.

\*\*Interactive Complexity is an additional fee that may be applied to psychotherapy or group therapy services when the sessions involve communication difficulties and the intensity of the service is high due to use of therapy equipment, interpreters, and/or additional intervention by the clinician (related to client dysregulation or high anxiety). Interactive Complexity is common in work with children.

\*\*\*Outreach services are a free service provided by a Hennepin County contract and is only available to clients living in Hennepin County.

\*\*\*\* Prolonged service is added when sessions are longer than a typical session.
