

2024 Washburn Center Golf Classic

Monday, June 10, 2024
The Minikahda Club, Minneapolis, MN

Sponsorship makes you stand out as a visionary for Minnesota's youth

The Washburn Center Golf Classic is an annual golf tournament that rallies community and corporate leaders to champion mental health care for children.

Your sponsorship of this event is foundational to sustain our mission and to meet the skyrocketing need for youth mental health care. We can't do this work without you.

About Washburn Center

The mental health crisis among youth is intensifying at alarming rates. Today's youth are at risk of not being ready to step into the workforce because of escalating, untreated mental health.

With the generosity of supporters like you, Washburn Center is responding to and investing in transforming children's mental health care so more kids can live up to their full potential.

Join us as a sponsor of the 2024 Golf Classic and connect with more than 150 community leaders on Minikahda Club's exceptional fairways and pristine greens. Partner with us to blend competition and commitment as we improve the lives of kids, community and the future of Minnesota.
