Form 990, Part VI, Section B, Line 15a:

The CEO's annual salary is set as a part of their review by the Executive Committee. In this review, the Human Resources Director provides the CEO and the Executive Committee with a compensation history and the annual salaries of about 10 other nonprofit executives as examples (some are higher and some are lower than his salary). The annual salary is based on years of experience as an executive director/CEO, the size and kind of agency that Washburn is, the compensation that we need to provide to key staff that are generally licensed and often PhD's, and the performance of the individual in the position. More general nonprofit salary surveys are so broad that they do not adequately reflect the influence of some of these factors. More specific salary surveys, such as the one done by the Minnesota Association of Community Mental Health Providers, are mostly out state community mental health centers which reflect much lower salaries than executive leaders in metropolitan organizations. Many of these have little or no fund raising component to them, and many of them are largely public sector funding.
