Sponsorship opportunities

Dawn of Hope Fundraising Breakfast
The Club at Golden Valley
Wednesday, October 9, 2024 - 7:30 to 9 a.m.

About the breakfast

This event supports community-based mental health care for children that is essential to ensure today's youth are healing for a stronger future. Dawn of Hope is our inaugural breakfast fundraiser hosted to connect you to the promise and innovative mission of Washburn Center for Children.

Your sponsorship in Dawn of Hope is an investment in your community, children, families and the future of the Twin Cities and beyond.

Your impact

We are eager to host friends, prospects, donors, businesses, community leaders and partners to move and inspire investment in the future of this generation. Community-based work calls us together to share inspiring work and healing experienced by the children and families we support. Your experience at Dawn of Hope will reveal:

- hope that flows through our programs
- resilience and confidence of our clients
- intrepid leadership and staff who make this mission thrive
- community impact through our supporters and partnerships.

About us

Washburn Center for Children delivers transformative mental health care to children and families in the greater Twin Cities. We have a diverse continuum of care and treat children from ages 0-18. There are no barriers for those who receive our care.

We meet clients where they are: at home, in school, on playgrounds and in clinic. Our 175 therapists supported 4,269 clients last year through our early childhood, intensive in-home and crisis programs, school-based and outpatient therapeutic programs. Our Case Management program connects families with the resources needed to support their lives. Learn more at washburn.org
