Form 990, Part III, Line 2, New Program Services:

Washburn Center was certified as a DBT (Dialectical Behavioral Therapy) site for Adolescents on June 26, 2024. The first group under certification started in October 2024.

In February 2024, Medica and Washburn Center for Children reinstated an innovative community-based support system to improve access to care. Intensive Community Based Services (ICBS) delivers face-to-face and virtual intensive support to kids and their families who are covered by Medica. Washburn Center is the first youth provider as Medica reinstates the intensive, short-term service for youth and their families in Twin Cities communities. This program is a metro-wide service for Medica-covered clients only, supporting families for up to six months.

Washburn Center launched a Psychological Testing program available to internal and external clients focused on school age testing and assessment which became available in March 2024.

Form 990, Part III, Line 3, Changes in Program Services:

Washburn Center discontinued our APA certified training program, however we are still an intern site for psychologists. The APA certification was discontinued as the financial strain on the organization widened due to the vast requirements needed to operate the program and provide to trainees.

Form 990, Part III, Line 4a, Program Service Accomplishments:

Crisis Stabilization provides intensive in-home therapy, skills building and caregiver support to increase stability and help children with severe emotional and behavioral difficulties avoid hospitalization or out-of-home placement as well as support them as the transition back in to their homes. In 2024, 416 children, ages three to 18, received crisis services.

Early Childhood Outreach provides observational assessment of children in Hennepin County childcare and preschool settings. The program offers consultation and collaboration with teachers and guardians to identify and address social, emotional, behavioral and/or developmental concerns. Training to teachers is available on request. This program served 65 children in 2024, from birth to kindergarten.

Intensive In-Home therapy is available for families whose children, ages five to 17, are at risk of being removed from their homes or receiving a higher level of care due to social and emotional difficulties and conflict within the family system. Therapists collaborate with caregivers in the home setting to improve family functioning and help children develop life skills to increase stability across settings. In 2024, 167 children were served in this program.

Family Focused provides intensive in-home family therapy and a therapeutic preschool to strengthen the parent/child relationship and support the healthy functioning and development of children who are

having social, emotional or behavioral difficulties and/or experiencing environmental stressors. This program served 264 children, from birth to kindergarten in 2024, 42 of those clients were also served in the milieu component of this program.

Form 990, Part III, Line 4b, Program Service Accomplishments:

Columbia Heights public schools classroom therapy support started in August 2024. The age of the clients varies by school but the program as a whole serves kindergarten through 12th grade. This program served 1101 children in 2024.

Form 990, Part III, Line 4d, Other Program Services:

A commitment to treatment and training

Washburn Center for Children (Washburn Center) is a critical community resource providing compassionate therapeutic care to children and families, as well as training clinical professionals who work with children nationally. Founded in 1883, families in the community have come to Washburn Center for over 141 years to help children thrive at home, in school and in the community. Washburn Center nurtures every child and family's well-being and full potential through transformative children's mental health care.

Washburn Center for Children leads Minnesota in child-centered mental health care with a broad and deep spectrum of outpatient services across the continuum of care. The mental health care kids receive at Washburn Center is a safety-net. Community-based mental health care is for all kids and families who need us, period.

As an agency, Washburn is balancing community needs that are not going anywhere, financial sustainability and taking care of our staff so they develop and grow sustaining this mission for this generation of children and those to come. In 2024, our therapists met with 3,687 children (4,276 duplicated) for 90,197 hours of therapy in family homes, schools, hospitals and community centers. This represents 10% more children than 2023 - a clear reflection of the impacts of epidemics, community violence and societal pressures.

In 2024, 26% of the children we served relied on more than one Washburn Center service. With our full continuum of care, Washburn Center serves children ages birth to 18, with an average of 47% between ages 6 to 11, who live in the Twin Cities and surrounding counties, and 65% of families served qualify for some form of Medicaid support.

Children and their families are served in three office locations Brooklyn Park, Edina and Minneapolis as well as in-home, in more than 60 partner schools, in 32 hospitals and clinics, and in our communities. Washburn Center has more than 100 community-based therapists driving into neighborhoods, sitting in homes and meeting families where they are.

Comprehensive and evidence-based children's mental health services include assessment, evaluation, individual and family therapy, psychological evaluations, psychiatry, and care coordination. Services are designed to develop skills, navigate social, emotional and behavioral development as well as connect families with resources to

Since its inception, the Training Institute has provided 115,722 hours of training and consultation to 9,568 professionals nationally and internationally so that children can receive high quality mental health care. Additionally, the agency trains about 50 undergraduate, graduate, and post-graduate students annually.

Form 990, Part VI, Section A, line 1a:

The Executive Committee is comprised of the current officers, the chairs of the standing committees, and all immediate Past Presidents who are still trustees. The Executive committee is authorized to act with the full authority of the board during intervals between meetings of the board.

Form 990, Part VI, Section B, line 11b:

The Form 990 is initially reviewed by the CEO and the Finance Committee of the board. The Form 990 is discussed at a Finance Committee meeting prior to a presentation to the board. The Board of Trustees then reviews and discusses the Form 990 and approves the filing.

Form 990, Part VI, Section B, Line 12c:

It is the responsibility of every employee, supervisor, executive and others responsible for carrying out the organization's activities to immediately report suspected misconduct, dishonesty or conflict of interest verbally or in writing to the CEO, Chief Operating Officer, or the board of trustee's President. If the incident involves the CEO, it should be reported to the Chief Operating Officer or the board of trustee's President. If the incident involves the chief Operating Officer, it should be reported to the CEO or the board of trustee's President.

To facilitate reporting of suspected violations, especially in those Washburn Center for Children situations where the reporting individual wishes to remain anonymous, the organization has established an anonymous voicemail box, which will be monitored by the Chief Operating Officer and the board of trustee's President. Employees may also report suspected violations anonymously in writing to the CEO, Chief Operating Officer, or the board of trustee's President.

In appropriate circumstances, the CEO (or Chief Operating Officer, if the incident involves the CEO) will notify an officer of the Washburn board of trustees in the event of significant reported incidents on a timely basis.

With support from the CEO, the Chief Operating Officer has primary responsibility for all follow-up and investigations of each reported incident, except if the incident involves the Chief Operating Officer. The board of trustees will review any issues reported to them. A journal of reported incidents, follow-up actions taken and resolutions will be kept and reviewed annually by the CEO, Chief Operating Officer, and the Finance Committee Chair as part of the annual audit process.

During their employee orientation process, all employees will review and sign an acknowledgment that they have read and understand the code of ethics policy. An original signed copy will be kept in each personnel file. All supervisors and executives are required to sign the policy and reporting procedures annually.

The code of ethics policy will be reviewed by the Finance Committee annually. Any changes will be approved by the board of trustees.

Form 990, Part VI, Section B, Line 15a:

The CEO's annual salary is set as a part of their review by the Executive Committee. In this review, the Human Resources Director provides the CEO and the Executive Committee with a compensation history and the annual salaries of about 10 other nonprofit executives as examples (some are higher and some are lower than his salary). The annual salary is based on years of experience as an executive director/CEO, the size and kind of agency that Washburn is, the compensation that we need to provide to key staff that are generally licensed and often PhD's, and the performance of the individual in the position. More general nonprofit salary surveys are so broad that they do not adequately reflect the influence of some of these factors. More specific salary surveys, such as the one done by the Minnesota Association of Community Mental Health Providers, are mostly out state community mental health centers which reflect much lower salaries than executive leaders in metropolitan organizations. Many of these have little or no fund raising component to them, and many of them are largely public sector funding.

The CEO reviews the salary for the executive leadership team annually. The executive leadership team receives benefits at the same level as other employees of the agency.

Form 990, Part VI, Section C, Line 19:

The organization's governing documents, conflict of interest policy and financial statements are made available to the public upon request. The organization's financial data is also available at www.guidestar.org.
